Financial Policy Agreement

**Insurance Processing

Insurance coverage varies from policy to policy, and it is your responsibility to understand what your insurance plan covers. Questions regarding your individual plan should be directed to your human resources department or insurance provider.

As a service to our patients, we assist with insurance processing. We make every effort to maximize your dental benefits, and we will provide you with an **estimate** before any treatment is done. We do not work for the insurance company. The patient is fully responsible if insurance does not pay.

Our policy requires co-payments to be **paid at the time of services. Our office does not bill.** You may need to have pre-authorizations from your insurance company prior to starting treatment and we will be happy to submit it for you. If you decide to proceed with dental treatment without a pre-authorization, you could be responsible for the full cost of treatment.

Missed Appointments/Cancellation Policy

We value your time and make every effort to provide treatment in a timely manner and in a few visits as necessary. In order to provide the best services to our patients, we require you make every effort to keep your appointment. Because our time is valuable like yours and other patients could use this time to be seen, you may be charged a cancellation fee for any late cancellations or missed appointment.

Collection Policy

I understand that a fee will be added to any balance over 90 days. In the event of default, I promise to pay legal interest on the indebtedness, together with such collection cost and reasonable attorney fees as may be required to effect collections of this note.
